
FASTING WITH NEW COVENANT

NewCov has made fasting an important part of our church life as we recognize that we need God's help in fulfilling our task as a church. As we fast for 21 days this January, we will begin our new year by focusing on God and what He wants to accomplish in our lives.

PRAYER REQUESTS

Our church

Pray for our staff and volunteers. Pray that people would come to know Jesus, that people would grow in their relationships with God and with each other, and that the Holy Spirit would move in mighty ways.

Our community

Pray for a transformed, healthy, and vibrant community. Pray for safety and for hope in our cities and families. Pray that the Church would be a light to the lost.

Our schools

Pray safety, encouragement, strength, and hope over our teachers, administrators, volunteers, coaches, students, and parents. Pray for the next generation.

Our government

Pray that our elected and appointed officials would know God and seek His wisdom. Pray for Fresno Police and the Sheriff's Department, for first responders, and for community groups.

Your family

Pray for each member of your family by name.

WHAT IS FASTING?

Fasting is giving up food or something special for a spiritual purpose

REASONS FOR FASTING

God desires a relationship with us. He is chiefly interested in our trust and obedience. He is the object of our motivation. Fasting seems to be an expression of our desire to seek and please Him. Fasting displays to God that He is more important than food.

Fasting works! Prayer and fasting seem to work in unity. Once when the disciples failed to exorcise demons, Jesus explained that in such instances prayer and fasting were required. Fasting seems to move God to action. Of course, this does not mean that we can manipulate God by fasting, but for some reason there are times God desires us to underline our requests with fasting.

PRAYER

Communication is a vital component in every kind of relationship. The current texting and social media phenomena are illustrations of the importance of communication. God wants to be on an open line with us every moment of every day. We can communicate need, thanks, praise, and emotion, as well as receive warning, affirmation, and wisdom at any moment. For some mysterious reason, at times, God wants our requests before mobilizing His resources into action. Our prayers are effective.

TYPES OF FASTS

There are several kinds of fasts, and there is no formula for determining which kind of fast or duration is most appropriate for you. The following are three Biblical examples of fasting:

ABSOLUTE FAST:

Taking in nothing including water. This is extreme and should NOT be attempted without first talking to your doctor.

NORMAL FAST:

Withholding food, but not liquids like water and juices to maintain strength and electrolytes.

PARTIAL FAST:

In the Bible, Daniel and his companions ate vegetables and water, but not the King's meat and sweets. This type of fast may be more appropriate if you have certain health issues. For some people, giving up chocolate or coffee may be a real reminder to pray. You can also fast from anything that means something special to you: media, sports, shopping, etc.

DURING A FAST, DEVOTE EXTRA TIME TO:

- Reading God's Word (The Bible)
- Praying
- Focusing on God
- Worshipping
- and ALWAYS serving/helping others (this is not a time of selfishness)

HISTORY OF FASTING

The practices of praying and fasting can be found in both the Old and New Testaments. Before Jesus, our model, began his public ministry, he fasted for 40 days in preparation. The scriptures listed in this brochure cite other instances of fasting found in the Bible.

MOTIVES

A particular danger in fasting is that our God-centered motives can be tainted by our motives to draw attention to our self and impress others. Jesus cautions us to as much as possible let our fast be between us and God. We all really know God sees our heart and is never fooled. (See Isaiah 58)
