

# NEW COV COUNSELING CENTER

We value the opportunity to help individuals and families grow towards an **increased** quality of life. We believe you can't do life alone and we recognize the importance of growing spiritually and emotionally.

## ABOUT US

Our counseling center offers a wide range of clinical and professional counseling services from a Christian perspective including services for Individuals, Couples and Families. Our staff includes, Licensed Marriage and Family Therapists (LMFT), Licensed Psychologists and Marriage and Family Therapist Interns.

## PURPOSE

Our purpose is to offer mental health services to individuals and families by providing a place of restoration, support, and hope, and to allow the process to find purpose and belonging within their lives.
