

Dominican Republic Jarabacoa July 11-23, 2022

Where are we going?

We will be joining Students International in Jarabacoa, Dominican Republic. Jarabacoa is located approximately two hours northwest of the capital city of Santo Domingo and only 45 minutes from the airport in Santiago. Jarabacoa is a lush, beautiful community located in the Cordillera Central Mountain range and has a tropical rainforest climate.

Why are we going?

First and foremost, to partner with what God is already doing in the Dominican Republic with Students International. Additionally, we want to build a culture of missions with our youth and young adults. This trip serves two key roles in our missions' strategy. First, it exposes youth and young adults to missions in a more controlled environment that will help whet their appetite for missions. Secondly, it's a way for us to get critical mass on a trip to help build both the youth and young adult ministries.

Who will we be working with?

We will be serving alongside full-time Students International missionaries at occupational ministry sites (microfinance, dentistry, education, sports etc.) to meet the spiritual, physical, and emotional needs of the local community. Site leaders are experts in their field, and they also have a heart for sharing their passion with students.
