CONNECTING CHANGES EVERYTHING

As we embark on the journey of the upcoming year in our church, I'm excited to share with you our theme: "Connecting Changes Everything." This year, we will put a strong emphasis on fostering connections within our church community.

Whether it's through Christ-centered conversations, shared experiences, or acts of kindness, we believe that building connections with one another can truly transform our lives and our community.

Together, let's embrace this theme and work towards creating a warm, supportive, and connected church family. I look forward to seeing the positive impact that our connections will bring in the coming year.

YEAR IN REVIEW

In 2023 and 2024, we were met with remarkable surprises and perfect timing. Our year started with the theme of 'Doubling Down' on our church's identity, emphasizing embracing our true selves as down-to-earth, authentic, Bible-believing, Jesus-following, and relationship-oriented individuals.

Lives Are Being Changed

As we gathered to worship and learn to better live out God's Word, we witnessed some amazing things! From inspiring and creative worship gatherings to local and international missions, we observed God's transformative work – changing lives in ways only He can. By aligning ourselves with God's plan, numerous individuals embraced Jesus for the first time and proclaimed their faith through baptism.

IT'S ALL ABOUT CONNECTION

To love and lead people into a growing relationship with Jesus

Our mission is deeply rooted in the belief that people are at the heart of everything we do. By fostering a welcoming community, we aim to create a space where everyone feels valued, loved, and inspired to grow spiritually.

We embrace broken people as we walk alongside one another, offering guidance, compassion, and encouragement along the way. Through our commitment to serving others with kindness and understanding, we seek to spread the message of the love, the hope, and the grace of Jesus Christ to all who cross our path.

WHAT MEN ARE SAYING ABOUT MEN'S BIBLE STUDY

Ian, age 24 - I enjoy the atmosphere. it's a very welcoming environment and from the moment I first stepped inside I felt welcomed. I often find myself sharing more at the table than I do anywhere else, which helps me grow as a person.

Matt, age 47 - I love the camaraderie as well as the encouragement I receive every week from the welcoming team, Ron and Bobby. I also look forward to doing life with my table brothers as we study and reflect on the message delivered.

RACHEL'S STORY

I came to Heart 2 Heart and Thursday morning Bible study looking for fellowship and opportunities to be in the Word. I found that, and something even more precious; I found women who would weep with me, who would rejoice for me, and who would intercede for me. I found women who would challenge me and encourage me. I found the power of the family of God.

INTRODUCING CHILDRENS MINISTRY DIRECTOR, ABBY BISPO

Abby joined our team as the Childrens Ministry Director in October 2023. Abby has had the joy of serving students of all ages for almost 30 years. Her heart is to see kids fall in love with Jesus as they recognize the holiness of God, the sinfulness of man, and the redemption of Jesus Christ. She graduated from Fresno Pacific with a BA in Liberal Studies. Her arrival at NewCov has been perfect timing as we re-vamp all of our Kid's Ministry facilities to accommodate our new pre-school on our campus!

MELINDA'S STORY

Since coming to New Cov this past year, God has been working in my life in a BIG way by giving me a community I have been longing for, growing the connection in my marriage, and lighting a fire of faith in my daughter's life. From the moment I walked into the doors and received a warm welcome from members like Donna, who greets our Adventureland kids, it felt like I was home.

COMMUNITY OUTREACH

This year, we have 'doubled down' our efforts to connect with our community by hosting engaging gatherings that coincide with holidays and special events. Building relationships with our neighbors is the first step towards sharing the message of Christ with them.

NICK'S STORY - CR is where I can be honest about my struggles without judgment and grow in my walk with Christ. The encouragement and hope I found at CR saved me from crippling depression.

JULIE'S STORY - To me, CR is a place I can build relationships that last a lifetime. CR is also a place I can be accepted for who I am and where someone will love me right where I'm at and it is also a place to me where strangers can become family and make you feel more loved than family ever has.

INTRODUCING BRANDEN MORONEY

Branden joined us this year as our Pre-Teen and Jr. High Director! A recent graduate of Grand Canyon University with a degree in Biblical Studies focused on Youth Ministry, Branden started his own faith journey as a pre-teen/junior high student. His passion lies in reaching out to the next generation for Jesus, inspired by where his own journey with Jesus began.

LOOKING FORWARD

For further training and discipleship we are launching a Student Leadership Team where Jr. High and High School Students will be going deeper into spiritual growth and leadership responsibilities.

YOUNG ADULTS

Community Nights

On the last Thursday of every month we have community night. This is a time to sit around a table and fellowship over food like we see in Acts 2. We deeply desire for our Young Adults to have a strong sense of community and are so grateful to the Clark's and Erickson's for helping by graciously providing the food for us every community night!
